

The Virtual Reality Team Build is an interactive VR team experience with 2 exciting outcomes:

An exciting and unique team building activity, focused on communication and coordination and a great way to introduce delegates to the exciting world of VR.

This competitive team challenge revolves around the cutting edge game experience 'keep talking and nobody explodes'. This game challenges teams to deactivate a bomb which exists in a virtual world. The team are given bomb disposal manuals and other materials.

FEATURES INCLUDE:

- Teams race against time to defuse a bomb
- The latest cutting edge VR equipment is provided
- Teams must learn to communicate clearly and concisely while collaborating to void catastrophe.
- Excitement mounts as the puzzles and challenges become more difficult
- The winning team is the team that defuses the virtual bomb in the quickest amount of time.

HOW IT WORKS

The Big Quiz can be played with any number of teams, normally seated in tables for conference or dinner, and can be run straight through, or between courses.

Incorporating the latest cutting edge wifi-based quiz technology, teams answer the questions using wifi input devices and scores are displayed on our giant leaderboard in real time.
